

Child Protection

What is it all about?

All of the adults around you think that your health, safety and welfare are very important. In our school, we respect you and help to protect your rights. We do our best to help you make good educational progress. We teach you how to recognise risks in different situations, and how to protect yourselves and stay safe.

How do we protect you?

We try to provide a safe environment for you to learn in; We want to help to ensure that you remain safe, at home as well as at school; We think it is important for our you to know where to get help if they are worried or unhappy about something.

You can talk to anyone in School.

Don't keep it a secret if:

- Someone is bullying you.
- Saying funny things to you that you do not like or upsets you.
- Touching you in places you know are wrong.
- Trying to give you tablets, cigarettes, drugs or alcohol.
- Hitting you or hurting you.
- Sending unkind messages on the internet or to your phone. If you need to talk – we will listen!
