

Taughmonagh Primary School and Nursery Unit

School Development Plan for Children

With the ideas of the whole school community, governors, teachers, teaching assistants and pupils, our school has prioritised some of the areas below as key ideas that we want to make better this academic year - 2026-2027

	What we want to make better:	What will happen to make this better:
	Coding as part of our ICT Curriculum and Digital Leaders	- We will have opportunities to include coding into our daily lessons - We will be able to develop our confidence in using digital equipment to support our learning. - Our Digital Leaders will be in classrooms helping us all learn and become coding aware
	Retrieval practice - our Numeracy Coordinator, Mrs Campbell is really excited to be implementing this knowledge organisers for Numeracy this year.	- Our teachers will create beautiful knowledge organisers for numeracy - We will have one homework a week based on retrieval - Our pupils will be completing amazing retrieval at home and during lessons to make sure we continue to learn to the best of our ability.
	Our Literacy Coordinator - Mrs Luckman is excited to be promoting the love for reading this year!	- Our Classroom Assistants will be training to keep a record of our reading - In Assembly we will celebrate our 85% club in Accelerated Reading - We will be getting a new library in our school - In March, our school will celebrate World Book Day.
	We will be looking at a new test this year.	- We will be completing a new test this year called 'CCEA Adaptive Test' - This will be see how great we are in Literacy and Numeracy - We will try our best in these tests and celebrate our success
	Parents coming to learn!	- Your parents will be invited into school to learn just like you! - Izak 9 workshops, connect workshops, literacy workshops - Make sure you quiz your parents on what they have learnt after these workshops!
